**ORDER**

In accordance with the accompanying memorandum and order, this motion to vacate, set aside, or correct a sentence filed under 28 U.S.C. § 2255 is **DENIED** and the case **DISMISSED**. For reasons stated in the memoranda and orders entered this day and on December 6, 2004, should the petitioner give timely notice of an appeal from this order, such notice will be treated as an application for a certificate of appealability, which is hereby **DENIED** since an overview and assessment of his claims has led the Court to conclude that he did not make a substantial showing of the denial of a constitutional right. 28 U.S.C. § 2253(c)(2); Fed.
